

# Becca Miller's Musings—Spring Update

Dear friends and family,

If winter was filled with excitement and business, spring was even more so! It always seems like we try to cram as much as we can into the last few months of school. Here are some of my spring happenings:

## Faith Christian Academy Visits!

It was so much fun to have my high school visit the school where I work now. The team, led by my mother and father, spent several days working around school and visiting classes, as well as working at two local orphanages. I had a great time getting to know these teams—I had an even better time letting my electrician father teach a class on electricity to my fourth graders. ☺

## High School Volleyball

I loved coaching my middle school girls so much, that the athletic director talked me into helping with the high school. I don't have much contact with secondary, so it has been wonderful to meet the girls and become a part of their lives. It was also wonderful to come in third place in our tournament.

## Elementary Spring Concert

Sean McDaniel, our music teacher, put a lot of time and effort into the elementary spring concert, making it a musical event where all the praise and worship was directed completely to God. I don't think there is anything sweeter in all the world than watching a group of almost 100 children worshipping God!

## Big News!

Due to the huge turnover in elementary next year (we're losing our 1<sup>st</sup> and 2<sup>nd</sup> grade teachers, possibly the 3<sup>rd</sup> grade teacher, and maybe the 5<sup>th</sup> grade teacher), I have decided to return to Guatemala for one last year. Of course, to do this I continue to need your help and the help of people like you!

## Ways to Pray

- Pray for my visa to come through. I'm still waiting for this to happen!
- Pray for the continued safety of the CAG community.
- Pray for God to continue to provide the support needed for me to stay in Guatemala.
- Pray for me as I return to the States on June 2 and begin support raising for next year.

- Pray for God to provide the staff needed for next year—secondary math and English teachers, PE teachers, and a director. Pray that God will bring us the right teachers needed!
- Praise—we have a 1<sup>st</sup> grade teacher! Pray for her as she raises support!
- Praise—we have 3 other elementary teachers! Pray for each of them as they raise support!
- Praise—the school has announced an interim director to fill in until a new director can be hired.

### Meet My Students

I wanted to give you a chance to meet several of my students and learn about the different ministries the parents of my students are involved with here in Guatemala!

#### **Aria Larimer**

Aria is the oldest child of Eric and Jessie Larimer. She has two younger brothers: Daniel in second grade and Thomas in kindergarten. Eric teaches middle school math and science here at CAG, and Jessie is on the board of directors for Emmanuel's Heart International, an organization which serves abused women and their children by providing a shelter and refuge. Emmanuel's Heart has also started a jewelry and apron making business to help these women have a way to support themselves.

Again, I thank you so much for your prayers and your support. I could not serve down here without knowing there were people praying for me! My ministry and the ministry of the missionaries I serve would not be possible without YOU!

Dios Te Bendiga,

*Becca Miller*

**Let the word of Christ dwell in you richly as you teach and admonish one another with all wisdom.**

**Colossian 3:16 a**
